

IMPORTANT NOTICE

MEMBERSHIP RENEWAL

Please note that while the Information Centre Is Closed we are unable to complete membership renewals in the usual way.

The Friend's of Helderberg Committee are currently working on a new and improved system which will allow members to renew their memberships on line.

In the meantime you can renew your membership by completing an eft. Presentation of your proof of payment will all allow entry at the gate.

Alternatively you can pay the usual entry fee at the nature reserve.

Please be aware that expired membership cards will not be accepted at the gate unless you have your proof of renewal with you.

The Early Riser Key remains on hold for now.

Please contact the Friend's of Helderberg Nature Reserve for more information: info@helderbergnaturereserve.co.za
